

TALON FAIRTRADE WORKERS WELFARE SOCIETY

Not For Profit Organization registered under Voluntary Social Welfare agencies
(Registration and Control Ordinance 1961)
(JB of Talon Sports-Sialkot-FLO ID 1629)

This part covers:

- Distribution of School Kits
- Provision of 100 ft Deep Hand Pumps
- Gift donated by Team 4 One

School Kits:

Our Team identified 02 union locations with destroyed schools/villages. Named Binda Ishaq and Basira. Both locations have population of 24258 and 29957. Amazingly the losses to schools of Binda Ishaq could not be reported to the authorities and resultantly NO relief efforts were extended to the Union Council Binda Ishaq despite the fact that numerous Governmental/Non Governmental organization are busy in rehabilitation in effected area.

Our field staff visited the locations and found sever need of:

- ***School Kits for the primary students***

As during the flood these Two union Councils were effected and Basti Boobak (UC Binda Ishaq) remained disconnected for many day being sunk in 7-8 feet high water.

House construction in the settlement/small villages is mainly of mud and bushes which could not sustain in heavy floods. People saved their lives at priority and lost house holds and eventually the school books/bags of kids also.

Our School Kit consisted of:

- One School Bag
- One Packet of Colour Pencils
- One Packet of Lead Pencils
- One Packet of erasers
- One Packet of Pencil Sharpeners
- Clip Board
- Note Books (03)
- Geometry Box(01)
- Drawing Book
- Slate with chalk

Every bag accompanied a Gift from TEAM4ONE.

School of Basti Boobak, Rukan wali, Tehsil Jatoli connects about 06 small settlements. There are 50 Students available in this school.
School demolished by Flood 2010 is under construction:

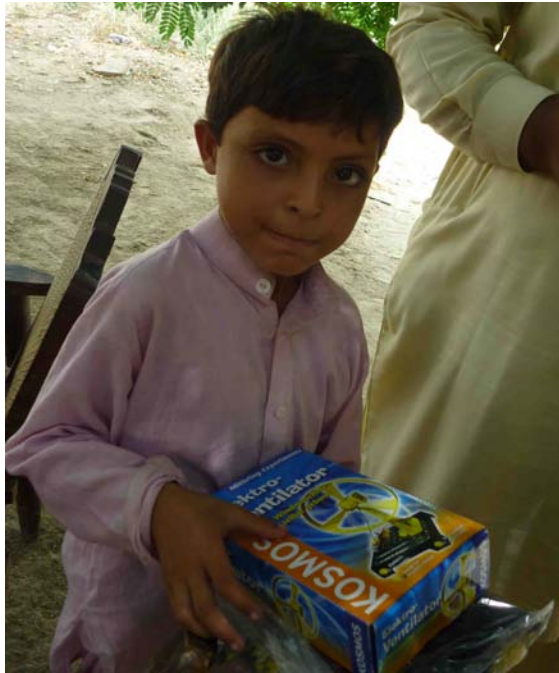

Students continue their education under Trees

A Shining student recites his lesson before receiving his gift

Kids enjoying their gifts

Another Community based Residential School in Boobak

Notebooks and Toys

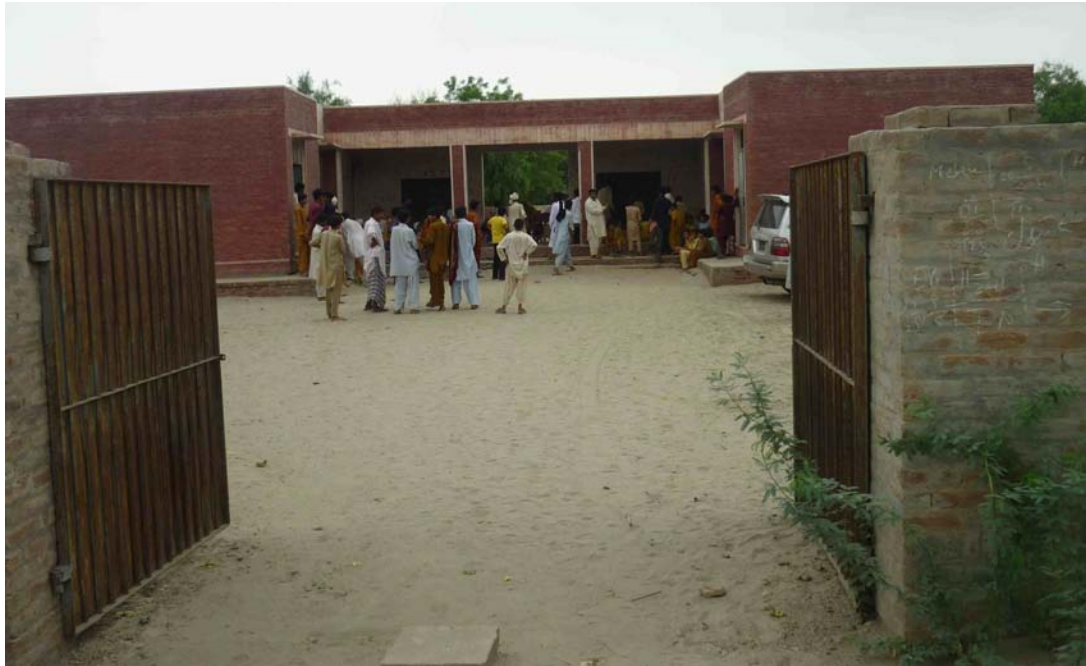

Students at Basti (village) Boobak:	
Government Primary School Boobak	= 50
Traditional Residential School	= 20
Total	= 70

Blessing in Disguise:

Though flood 2010 took more than 1600 lives, millions of houses, crops, live stock and schools yet it brought fertile land with it and now the baron land are presenting a lush green look with healthy fruit bearing mango trees.

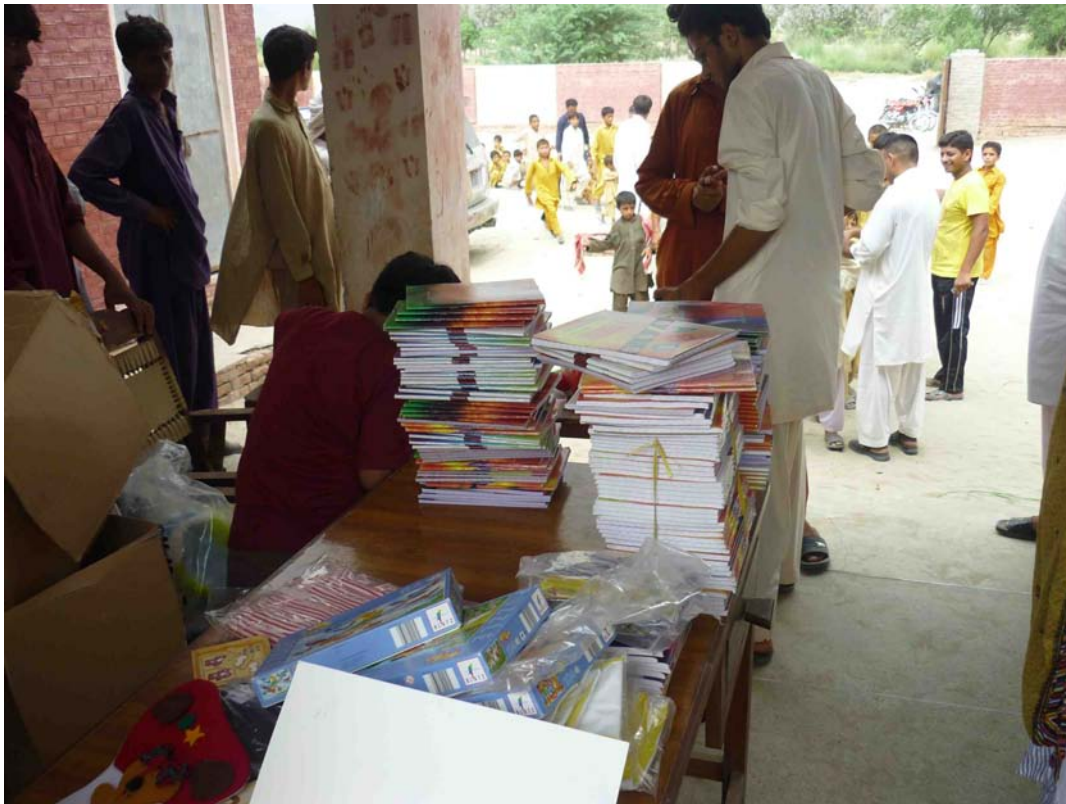

**Primary School Noor Kubra, Union Council 62 Basira
Tehsil & District Muzaffar Garh
(Lawn is still filled with flood sand)**

Being on a High Sand ridge School Building survived

Here we have bags, notebooks and toys

A student after receiving his package

Queing for recieving
Ben 10 Bags with Truck

Leaving with Gift

Girls are interested in Study Material

Leaving for home

Still waiting for admission to
School in coming session, till then
Gift if enough

My Priority is School Bag and
notebooks.

On the way back to homes

Houses are of Mud-Bush construction, desert area, no
concept of pavement of streets, no sewerage

Total number of students = 200 (Male+Female)

Clean Drinking Water Project

Initially five locations were selected and Hand Pumps have been installed at:

SR.#	LAND OWNER	ADDRESS	NATIONAL ID#
01	ABDUL AZIZ	Basti Boobak wala, Rukan Wali, Tehsil & District Muzaffar Garh	32304-94329957
02	Pir Bakhsh	Basti Boobak wala, Rukan Wali, Tehsil Jatoi, District Muzaffar Garh	32302-4605503-1
03	Abdul Hameed	Chah Molian Wali, Basti Boobak, Tehsil Jatoi, District Muzaffar Garh	32302-1706590-5
04	Ghulam Farid	Chah Jaliwali, Rukanwali, Tehsil Jatoi, District Muzaffar Garh	32302-5007859-9
05	Muhammad Ibrahim	Chah Lalianwali, Rukanwali, Tehsil Jatoi, District Muzaffar Garh	32302-6809584-9

Criteria's major points for selection of location:

- Clean Drink water source is not available for inhabitants
- Site is within the village
- Land owner is willing to open the site for community without any discrimination
- Site is not locked/within residential premises

Procedure:

A survey is conducted against the criteria.

Sites are selected

Undertaking on legal paper is taken from the land owner

Hand Pumps are installed

Undertaking:

It's a document obtained from the land owner committing:

- He/She is offering a site for installation of hand pump being installed by TFTWWS for community use.
- He/She commits to provide 24/7 open access to the community for availing the service of hand pump without any restriction.
- In case of complaint by community members regarding restriction in availing the service of hand pump, TFTWWS will have the right to un install the hand pump.
- He/She will assure the sewerage/disposal of waste water conserving Public Heath and environment.

FUTURE NEED ASSESSMENT:

Our team has identified 10 more location where hand pumps are needed.

HERE ARE THE IMAGES OF UNDERTAKINGS FOR 05 HAND PUMPS INSTALLED.

حالیہ بیان کرتا ہوں کہ

TFTWWS یا ٹکٹ کی جانب سے جس جاگہ از زمین پر لوگوں کو صاف پانی کی سہولت کے لیے دو واٹر پمپ لگایا جا رہا ہے

ملکیت ہے

اور یہ میری ذمہ داری ہوگی کہ تمام اہل علاقہ جب چاہیں اس واٹر پمپ سے صاف پانی حاصل کر سکتے ہیں اور یہی طرف ان کے

لیے اسی قسم کی کوئی رکاوٹ نہیں ہوگی۔

اگر میری کسی بھی قسم کی اہل علاقہ کی جانب سے یہ شکایت موصول ہو کہ وہ آزادانہ طور پر TFTWWS کی جانب سے لگائے گئے

پمپ سے پانی حاصل نہیں کر سکتے تو TFTWWS کو یقین حاصل ہوگا کہ وہ اپنا واٹر پمپ میری زمین میں سے واپس لے لیں جس پر

مجھے کوئی اعتراض حق نہیں ہوگا۔

اور میں اس بات کو یقینی بنائوں گا کہ کسی آب و ہوا کے لیے نقصان دہ نہیں ہوگی۔
